

# **I have had a cold for 10 days!! (Answers)**

*This sheet uses **have + the past participle verb**, but sometimes that past participle verb is also **have**, so you get: **have/has had...***

**ex.) I have a cold (for 10 days) → I have had a cold for 10 days.**

*Rewrite these sentences using **have/has had....** as in the example above:*

1. I have a dog (for 20 years) **I have had a dog for 20 years** .
2. I have the flu (since Friday) **I have had the flu since Friday** .
