

# Must be -vs- Might be

## **must be:**

→ *feel 100% a situation is true or can happen*

Oh. The cat's making a lot of noise. It must be dinner time.

## **might be:**

→ *feel it's a 50% chance to be possible or can happen*

My Amazon package hasn't arrived yet. It might be delayed because of the coronavirus outbreak.

Fill in the blanks with **must be** or **might be** to complete the sentences:

(in a few cases, both answers can be correct)

**ex.1) Oh. The cat's making a lot of noise. It must be dinner time.**
