

I SHOULDN'T HAVE eaten that!! (1 Answers)

When you say you shouldn't have done something, you think that it was a bad idea to have done that and you regret it.

Using this is: **should have + p.p.verb**

Rewrite these sentences using **shouldn't have + p.p. Verb**:

ex.) **I ate the oysters even though they smelled bad. Now I feel sick.**

I shouldn't have eaten the oysters (because they smelled bad).
