### (3 : The Biggest Bottle of Whiskey Ever!) - Answers

*Fill in the blank spaces with the correct form of the adjective given:*

The happiest moment in Susie's life is about to begin. She's the most beautiful she has ever looked. She should be beautiful, after spending 3 long hours at the city's most expensive and most exclusive beauty salon. She thought she could take a quick nap, but the salon was noisier and busier than Grand Central Station! Then Susie spent the next long hour getting into her very tight wedding gown. She was afraid to eat even the  tiniest of food because the gown would be even tighter than when she last tried it on. So, she was starving. She was as hungry as a horse. And she was so tired . The tiredest she's ever been. If she could just stay awake through the long ceremony, she'd be fine. Luckily, the weather is perfect! It's better than she ever imagined. The sky is the bluest she has ever seen and it's much warmer than yesterday. As the enormous church doors slowly opened, she began to think of the crazy dreams she'd had and prayed the real wedding would be better than the dreams. It couldn't be worse than the dreams, but as all of her close/best friends and family turned to look at her, she saw her crazy drunk Uncle Bob in the corner, and he was drinking from the biggest bottle of whiskey she had ever seen!! Oh no!!
