

“Susie's Big Day!!”

(4 : More Famous Than Brad Pitt!) - Answers

Fill in the blank spaces with the correct form of the adjective given:

A very nervous Susie began to walk down the long narrow
aisle. She decided to forget about her crazy drunk Uncle Bob,
for now. Her parents looked the happiest and proudest they have
ever looked and her friends had the biggest smiles she'd ever seen.
Her fiancée was more handsome than ever in his fabulous tuxedo.
Thank god he wasn't short and bald, or older and fatter than
Santa, like in her crazy dream! She could see Aunt Bonnie, the
richest person in her family, and her great grandma, the oldest.
Also, her famous cousin Joe, who thinks he's more famous than Brad Pitt,
and cousin Kim, who lives the farthest away, were here! It was
great! Everyone was here. And none of her fiancé's beautiful
ex-girlfriends!! It is the best day of her life! She walked the
slowest she could down the aisle to enjoy every magical moment.
It was the longest walk of her life. She started to feel dizzier
than ever before and nearly fell in her tight dress. It seemed to
be getting tighter and tighter. It was too hard to breathe!
Oh no! No food and little sleep. She was about to pass out in
front of the altar when she felt the soft gentle hands of her fiancée
and she knew she'd be ok. This truly was the most wonderful day ever!

The End.....Maybe!
