

TOEIC IV – Pronouns (3) Answers

These are various pronoun combinations that appear on the test:

Numbers next to the pronouns tell how many times it is used in the passage:

1. **we (2) our (3) you (3) your (3) yourself (1)**

We are sorry to inform you that your membership at our club has been canceled. Our records show you have not paid your fees in months. Please come to our club and we will let you clean out your locker yourself.

2. **she (1) her (4) he (4) his (2) himself (2)**

John is throwing his wife a surprise party for her birthday. He is planning it all by himself and he doesn't want anyone to tell her. He even baked a cake for her by himself. She will be so surprised by his cake that he made for her.

3. **I (2) me (3) my (1) they (3) their (2)**

I applied for the job, but they told me that my limited experience wasn't enough for their company. They said they need me to get more experience if I want to work for their company. It really motivated me to work hard.

4. **we (3) us (1) ourselves (1) it (3) it's (2)**

The office coffee maker is broken! We had used it every day for years, so it was really old. But it's the most important thing we have in the office. The manager told us that we have to replace it ourselves because it's too expensive for him.

5. **you (3) your (2) they (3) their (2) themselves (1)**

Tim, your parents were so nice! They took me to their house and showed me your old bedroom. You really had a lot of great toys when you were young! Then they took me to their favorite restaurant and paid for everything themselves! You are so lucky to have such great parents! They said to visit again any time.
