

TOEIC IV – Pronouns (4) Answers

These are various pronoun combinations that appear on the test:

Numbers next to the pronouns tell how many times it is used in the passage:

1. **you (3)** **your (2)** **yourself (2)** **she (3)** **her (3)**

I ran into your friend Jane and she said she got you an interview at her company because you can't get a job yourself. If your interview goes well, her boss said she will give you a good job in her company. Have a great interview to help yourself!

2. **I (4)** **me (2)** **myself (2)** **it (6)** **its (2)**

It is a miracle! I found a new apartment myself, and it is perfect for me. It is near the beach and its view is so amazing. I can even see the ocean from it. I plan to watch sunsets from its balcony. Amy loves it and really wants to live in it with me, but I really want to live by myself.

3. **he (4)** **him (3)** **yourself (2)** **we (2)** **us (2)**

“Do it yourself!” is what we told Ben when he asked us to do his homework for him. He is so lazy and he will never improve if we do everything for him. If he asks us again, I'll tell him, “Doing things yourself is the only way to learn!”

4. **she (5)** **her (1)** **herself (3)** **it (4)** **itself (2)**

Amy works at her father's company and she has designed a new robot all by herself. She spent years working on it and now she is finally done. It is a very intelligent robot and can teach itself new things. She designed it to think for itself. She is really proud of herself for creating it all by herself.

5. **they (4)** **their (2)** **themselves (2)** **we (2)** **us (2)**

Pam and Tom have decided to sell their company to us. They have been running it themselves since they started it 25 years ago. We were their first customers and we go there a lot. They want us to run it because they are too old to run it themselves.
