

TOEIC IV – Verb Tenses (1a) Answers

These are some of the most commonly used verb forms that appear on the test:

1. **gave** **given** **give** **gives**

The Michelin Restaurant Guide has given more stars to Tokyo restaurants than any other city. Michelin gives stars to these places for excellence in cuisine. They don't just give stars out easily. Of the thousands and thousands of restaurants in Tokyo, they gave only 263 stars to 200 restaurants in their 2023 book.

2. **do** **did** **done** **doing**

Hey Jenn, if you aren't doing anything today, let's go somewhere and do something fun. Don't say, "Bowling!" We did that last weekend! I want to try something we have never done before. Something that is fun and exciting.

3. **taken** **take** **took** **takes**

At our school, we take your English learning very seriously. We have taken complete beginners and produced excellent speakers. Each student who takes our courses passes their tests. Over 500 students took tests last month and of course all passed!

4. **answers** **answered** **answering** **answer**

I have a special question for you all! No one answered it correctly last class, so I hope someone can answer it in this class. Be careful! Before answering it, make sure you are correct. You only have one chance. Whoever answers correctly will get a nice prize!

5. **been provided** **providing** **provides** **provide**

(make something available for someone)

AmTech provides tablet PCs for low-income school districts in the LA area. It is our dream to provide tablets to every child in LA one day. So far, over 100,000 tablets have been provided to these schools. By providing these essentials needs, these low-income kids will now have a better chance to succeed in life.
