

TOEIC IV – Most Common Word Forms (4 Answers)

These are some of the most commonly used words that appear on the test:

1. **supplies** **supplier** **supply** **supplied**

(basic meaning: make things available for other people to use)

At first, Sunstar Electric only supplied solar panels in the US, but over time became a global supplier of their panels. The company supplied all major markets in most countries with their supply of state-of-the-art solar panels.

2. **demands** **demanding** **demandingly** **demand**

(very strongly request/ask that someone do something // something that is hard and takes time to do)

Working for a newspaper is a very demanding job. There are constant deadlines, so the demands on your time are tough. My boss once demandingly said that I had to work on New Year's Day, but I had to demand the day off to be with my family.

3. **beauty** **beautify** **beautiful** **beautifully**

(something that is attractive or looks good // make something look good)

The mayor wants to beautify our city by putting up beautiful artwork throughout the city. Many works will be beautifully painted pictures of local leaders. This will greatly add to the beauty of our wonderful city.

4. **financial** **financially** **finance** **financing**

(dealing with money used to run a business or a household)

We are looking for investors to finance our new factory in LA. We tried to get financing ourselves, but our financial situation is not good at the moment. Having renovated our headquarters renovations last year, we are almost financially bankrupt.

5. **gratitude** **gratify** **grateful** **gratefully**

(show that you are thankful or to please someone)

We'd like to express our gratitude for all that you have done for us here. We gratefully appreciate your running the Tokyo office and are grateful that you made it profitable again. We hope to gratify you with this diamond and gold wristwatch.
