

What WOULD you do if...? (choices 2)

This sheet talks about how you react to imaginary things that might happen to you

When talking about imaginary situations, we often say “**If**”:

If I had a million dollars..... / **If** she were my girlfriend.....

When reacting to this imaginary situation, we say “**would verb**”:

If I had a million dollars, I **would** *buy* my own private jet.

If she were my girlfriend, I **would** *be* the happiest man alive!

****Remember:** You must use **would** before all *verbs* in this case!!
