

What were you doing when...? (1)

## **What were you doing when I called! (2)**

*This is to say that you were **doing** some activity **when** something else happened.*

The event happened in the past, but when it did you were doing some action. So you need: verb-ing...when...

**ex.) What were you doing when I called you?**

**I was taking a shower when you called.**

**\*\*\* I don't remember what I was doing when.....**

*Please fill in the spaces with what **you were doing** during these events:*
