

## **Is it WORTH IT or not??(2)**

**Worth It or Not Worth It** are expressions to say that the time or money we spent on something was the same as our enjoyment or satisfaction of that thing.

If I spent \$100 on an oyster dinner, but was still really hungry after, I might say, "That dinner **wasn't worth it!**" The **it** is talking about the \$100 and this money does not match my satisfaction.

Write if you think the following "events" are **worth it or not worth it:**  
ex.) **Spending \$7 (770 yen) for one oyster?**

**I think it's worth it.** or **I don't think it's worth it.**
