

# **I WOULD RATHER be happy THAN rich!**

*This sheet is about preferring something more than something else*

Would you rather live in the country or in the city?

I would rather live in the city **than** in the country,  
**because** the city is much more convenient and lively.

\*This says that I am more interested in living in the city than living in the country

*Answer the following questions with which choice you **would rather** do:*
